

LOVE & DANCING

Ayrshire based band that'll get you up on your feet dancing the night away!

ABOUT US

Hi there,

We are an Ayr, Scotland based pop duo comprising of Xandra on vocals and John on keyboards and vocals, performing covers from the 50's through to current chart hits. We always play to the crowd looking to keep them dancing the night away!

Although this current lineup has only been together since February this year we have many years of experience between us.

Make your way to our Facebook page where you will see our latest video. We'd love to work with you to set up some gigs and look forward to hearing from you.
